

Every Learner Matters

Every Learner Matters

The School of Business & Management is dedicated to ensuring that all students have the support needed to:

- Stay healthy
- Be safe
- Enjoy and achieve
- Make a positive contribution
- Achieve economic wellbeing

STAY HEALTHY

Being healthy is not just about eating lots of fruit and drinking 8 glasses of water each day. It's about students enjoying a healthy lifestyle, feeling good about themselves, and having good emotional and mental health. We recognise this and ensure that that we support and educate all our learners throughout their programme in staying healthy through various activities like day trips, motivational talks, etc.

BE SAFE

SBM is totally committed to supporting all students who are on one of our programmes to stay safe from harm. Details are given in the Health & Safety policy.

ENJOYING AND ACHIEVING

We help and support our learners to make good progress in their work and personal development and to enjoy their educational journey. To celebrate success, we hold annual awards ceremonies and have an ongoing reward scheme.

MAKING A POSITIVE CONTRIBUTION

Throughout the programme learners are supported to make a positive contribution, encouraging them to be involved in decision making and help and supporting them to develop positive relationships with different people. We also help develop self-confidence and successfully deal with significant life changes and challenges. All this is achieved through IAG, tutorial sessions with teachers and other academic staff, reviews for and by learners, evaluation and feedback conducted by students, etc.

ACHIEVING ECONOMIC WELLBEING

Throughout the programme, learners are provided with access to good, impartial information, advice and guidance and the encouragement to develop the skills and behaviour needed for economic well-being, such as skills to ensure effective studying or working life.
